

Power and Journeying with clients

Client more in
charge of process

Practitioner more in
charge of process

1. Client journeys on their own, then relays the journey afterwards.
2. Client journeys and relays it to practitioner whilst journeying. Practitioner just listens and stays in the here-and-now.
3. Client journeys and relays it to practitioner whilst journeying. Practitioner facilitates whilst staying in the here-and-now.
4. Client journeys and practitioner accompanies them as an invisible witness.
5. Practitioner journeys and relays it to client whilst journeying. Client accompanies them as an invisible witness.
6. Practitioner journeys for the client, then relays the journey afterwards.
